ACT10202026

Earl Christian T. Gonzales | 10/20/2026 | NASM Calculator TN25

Program Description:

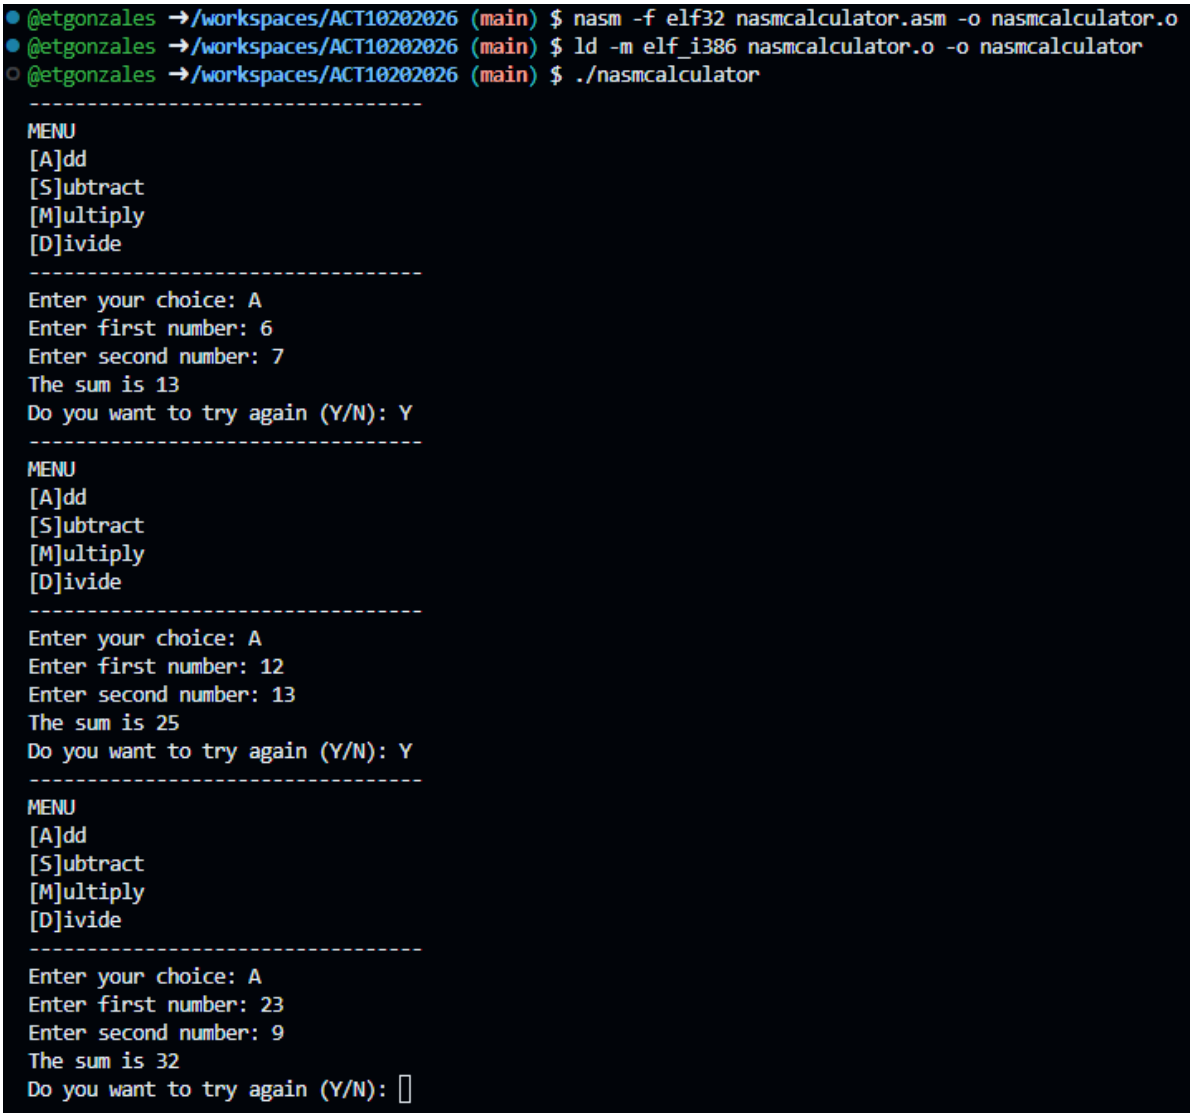

This NASM32 calculator displays a menu for addition, subtraction, multiplication, and division. It accepts two numbers from 0 to 99 and uses a separate procedure to perform each operation and display the result. It also checks for division by zero. After each calculation, entering Y clears the screen and returns to the menu, while entering N ends the program.
